"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

JANUARY 22, 1982

WALT DISNEY WORLD WINS URBAN LAND INSTITUTE RECOGNITION

for future endeavors of improved land use both in private and public sectors."

RCID is the local governing jurisdiction for Walt Disney World. The district's innovative comprehensive general plan and creative building codes have proved to be a model for regulatory structures. RCID has received over 50 awards for innovative design and superior planning in the past 10 years.

The Urban Land Institute is a non-profit research and education organization involved in improving the quality of land use planning and development standards. It is an association with more than 6,400 Members and Associates from the United States, Canada, and 50 other countries.

Walt Disney World/Reedy Creek Improvement District received the Urban Land Institute's Award of Excellence for 1981 in ceremonies at the Contemporary Resort Hotel January 19.

The annual award recognizes innovative land developments which embody superior design, relevance to contemporary issues and needs, and resourceful utilization of land while improving the quality of the environment. Previous awards have gone to the Galleria in Houston, Tex., and Charles Center in Baltimore, Md.

In announcing the selection of the Walt Disney World complex for the prestigious award, Bud Lake,

Chairman of the 1981 ULI Award for Excellence Jury, cited the basis for the decision as:

"Walt Disney World/Reedy Creek Improvement District is one of finest mixed use developments that has ever been created in terms of its relevance to contemporary and future issues and the needs of society.

"It is a master planning effort unmatched in its scale which will have great impact for the development industry as an influential research tool and project model," he added.

He also stated, "It is a multi-phase land use project with numerous functions that has been economically viable since its opening in 1971. It is a model of excellence and emulation

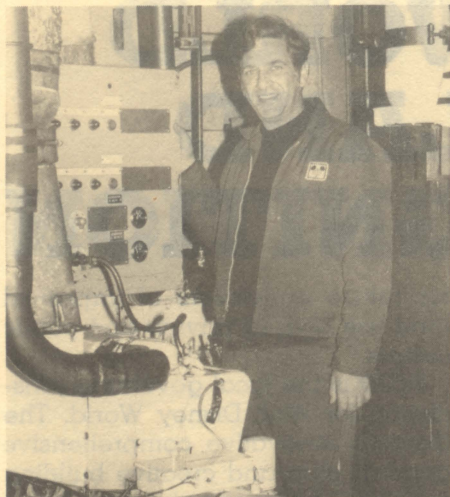

I HAVE AN IDEA

THREE MORE OUTSTANDING IDEAS IN 1981

With little time to spare before the annual "I Have An Idea" banquet, the program's reviewing committee recently declared three more ideas outstanding, bringing the year's total to seven.

The fifth Outstanding Idea winner is **Pete Burger** of Drydock Maintenance. A lead in his department, Pete and his crew maintain the WDW fleet, keeping the boats in "ship" shape at all times. Included in the fleet are two ferry boats used to shuttle guests from TTC to the Magic Kingdom and back again. These tremendous vessels have a complex generator and voltage regulator system that operates best under high frequency situations. For several years, the system has been plagued with problems occurring during shutdown procedures, when the generator and regulator operate at low frequencies.

While leafing through a magazine earlier in the year, Pete noticed an advertisement for an under-frequency protective device, and he thought to himself, "Why can't I make something like that?" After a little experimenting, he found out he could. So he installed a pressure operating switch and relay, and wired everything together, and he produced an Outstanding Idea! According to Pete, the whole process "was very simple."

In the eight months since the new system has been in operation, there

hasn't been a single regulator breakdown related to the system. Before his idea was put into action, the ferryboats averaged about one regulator problem a week. Great job, Pete.

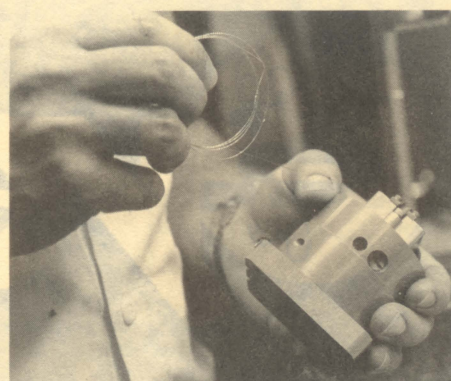

Our sixth outstanding idea was the brainchild of a pair from Animation, **Bill Dale and Mark Windisch**. Working on the hydraulic servo valves that make our audio-animatronic figures blink, wave, or walk, they saw hundreds of the valves returned to the manufacturer for cleaning and servicing to the tune of up to \$450 for each valve!

Negotiations between the manufacturer and WDW about a possible training program for our Animation Department were futile; the manufacturer wanted \$40,000 to train us. "We didn't have anything to lose by trying to service the valves ourselves," Bill explained.

So they set about disassembling a valve, and discovered that a musical wire measuring 7/1000" wide, cleaned the valve just as well, if not better, than sending it back to the manufacturer ... at a fraction of the cost. And when you consider that each attraction incorporating these valves uses about 150 of them, the savings are multiplied greatly.

The seventh and final Outstanding Idea for the year was submitted by **Gordon Mark**, formerly of Fort Wilderness Maintenance. Gordon seemed to be spending a lot of his working time repairing the relay system that controls the pizza oven's temperature at Pioneer Hall. As in Bill's and Mark's case, the replacement parts had to be sent from a manufacturer and according to Gordon, "It seemed like just the expensive parts kept going bad." So Gordon redesigned the relay system, and now all the parts he utilized are regular stock items we keep on property! But they haven't had to replace

a single one since Gordon's idea was implemented!

Congratulations to these four cast members ... inventors if you will ... who continue to make our World a better one. In all three cases, these ideas have saved the company thousands of dollars and hundreds of hours in downtime as well ... and all it took was a bit of ingenuity.

Look to next week's **EYES & EARS** for a summary of all seven Outstanding Ideas for 1981 and details of the upcoming banquet honoring the winners.

EDITOR'S NOTE: Gordon Mark left WDW before this article was written and therefore pictures could not be obtained.

VALENTINE PARTYS SPARK OUR TENCENNIAL WORLD SERIES OF ENTERTAINMENT

The Tencennial World Series of Entertainment Valentine Parties are just around the corner with **Don McLean, Frankie and the Knockouts, the Henry Paul Band, Del Shannon, and Luther Van Dross**, helping us celebrate on February 12 and 13.

WDW cast members may now buy reduced rate tickets for these events at Fantasyland Cash Control, Cast Activities, and WDW Village Cash Control. For just \$9.50 per ticket, you're entitled to admission to the Magic Kingdom, unlimited use of the attractions and transportation system and all entertainment performances. Main Gate passes, regular admission tickets, or passports will not be honored during the event. All employees attending the party as guests must park in the Main Guest parking lot, and admission will not be granted from the tunnel or employee gates.

The parties last from 9 p.m. to 1:30 a.m. each evening, so bring your sweetheart to the Magic Kingdom over the Valentines weekend for some great entertainment and Disney fun!

"It Takes People"

Julia Switlick, a celebrity in the Archives of Walt Disney World Company's history, retires today 16 years after she joined "the cast."

We're quoting "the cast" because Julia comprised the **entire** cast back in February of '66; she was the first WDW employee hired in Orlando. "We didn't even have nametags," Julia exclaimed. Working in a downtown Orlando office building with the words "Reedy Creek Ranch" on the door, Julia was secretary to **Phil Smith** and city clerk for both Bay Lake and what is now known as Lake Buena Vista. Phil, who was acquiring the final pieces of our 27,000-acre property, said that "Julia has a heart of gold."

Moving on after several years, Julia was a district clerk with the company before transferring to work with **General W. E. (Joe) Potter** on contracts and personnel procedures. Later she became executive secretary for **Bob Foster**, who was in charge of construction for the Walt Disney World Village. After eight months of "floating around and doing just about everything in the Village," Julia planted her heels in the Village permanently one year before it officially opened. She worked as a personnel assistant in charge of personnel records for the entire area, and there she stayed until this month.

As far as idle retirement is concerned, Julia wants **nothing** to do with it. "I have so many things I can do," she said. First,

she plans to continue her education at Rollins College in Anthropology. "I got my A.A. cum laude back when my son was 12! But this time, I won't take too many classes at once." She also plans to work part time for a law firm, and many relatives are expected at the Switlick home within the next few months.

She admitted however, that her **main** goal is to wait in line at one of Property Control's Employee Sales so she can get the good bargains. "It'll be so nice to look everything over and not have to go to work afterward!" she added.

Julia, our best wishes to a very special cast member . . . see you at the Employee Sale!

outlook for positions in the Security Department.

- Date: Thursday, January 28
- Time: 5 to 7 p.m.
- Place: Stage Door Cafe in The Center

Participants will gain in-depth information regarding the organization, functions, career opportunities, and job requirements of the department. Ample time for a question and answer session will be provided during the forum.

The forum's objectives include:

- To describe the occupational outlook for positions in the Security Department.

CAST ACTIVITIES

SUPER SKI TRIP TO SNOWSHOE SET

Ole Man Winter has already given the nation our coldest winter in a century, so what better time to take advantage of it than by going snow skiing!

That's right, Cast Activities is kicking off 1982 with a fantastic ski trip to **Snowshoe Ski Resort** in West Virginia. This four-day excursion features three full days on the slopes, and will be the only ski trip offered this winter.

Snowshoe is somewhat of an unusual ski resort, in that the condominiums, shops, and nightclubs are located on top of the mountain, with all ski trails leading down! Our accommodations are right in the middle of the village ... walk out the door and you're right on the slopes!

But what about the skiing? Snowshoe has a vertical drop of 1,500 feet, twice the height of North Carolina's Beech Mountain. The mountain is serviced by five ski lifts offering access to 21 trails of varying degrees of difficulty. One trail alone ... Cupp Run ... approaches a mile and a half in length, one of the longest continuous vertical drops in the East. **Jean Claude Killy**, the Olympic Gold Medalist, called Cupp Run one of his 12 favorite runs in the world.

Here's brief itinerary and costs:

- Departure from Orlando will be **Tuesday, February 23**, at 9 p.m. You'll travel overnight aboard a chartered bus, arriving at Snowshoe at noon, Wednesday. After checking into our condominiums, you have the afternoon and evening to explore the village and clubs.
- You'll have lift tickets for Thursday, Friday, and Saturday. Ski lessons are available on the mountain, but are

not included in the package.

- You'll spend Wednesday, Thursday, and Friday nights in a deluxe condominium, with the cost based on two people per room, six people per condominium. Each condo features a full kitchen with utensils, balcony, and fireplace.

- Departure will be early Saturday evening following skiing, with arrival back in Orlando, Sunday morning, February 28.

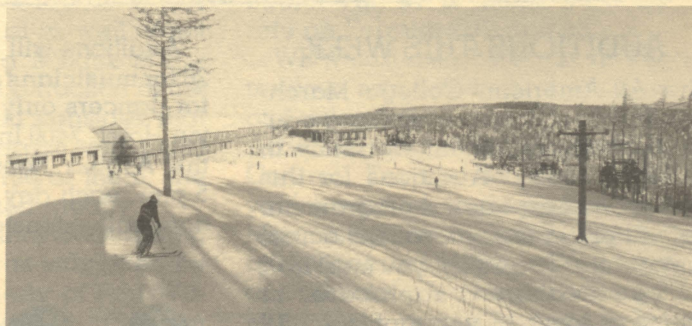

This year, there are two packages available:

- Transportation, accommodations, and lift tickets — \$242.
- Transportation, accommodations, lift tickets and rental skis — \$270.

Signups will open in Cast Activities (The Center location only) at **8:30 a.m. on Wednesday, January 27**. Employees are limited to **one** nonemployee guest/family member. An employee may not make a deposit for any one other than himself and one guest at the time of sign up.

A **\$50 deposit** is required when making a reservation. The balance is due in full on or before February 12. Your deposit is nonrefundable after February 12 unless you can be replaced.

Space will be **limited**, so all reservations will be on a first-come-first-served basis. For additional information, please call **Jill Krotky** or **Dent Thompson** in Cast Activities at 824-4254.

FILE EARLY

Cast Activities in The Center and at the Walt Disney World Village have a large variety of tax forms which will make filing **your** income tax return easier. File early so you can receive that handy refund check as soon as possible.

NEW VANPOOL FORMING, OTHER OPENINGS

Vanpool #4 is being rerouted, and is interested in adding new riders. The van will originate in the **Pine Hills area**, come south down Kirkman Road area and into the south end of property. Any cast member interested in more information should call **Walt Mockett** at 828-3708, days. The van will operate Monday through Friday for 8 a.m. till 5 p.m. shifts.

Vanpool #5 also has immediate openings. This van originates in **Pine Hills** for cast members working Monday through Friday, 8 a.m. to 5 p.m. **Vanpool #6** has openings, originating in **Kissimmee**, Monday through Friday, 8 a.m. to 5 p.m. **Vanpool #7** has an opening, originating in **Sky Lake South/Belle Isle/Pine Castle** for cast members working weekdays 8 a.m. to 5 p.m. **Vanpool #9** has immediate openings, originating in the **Naval Training Center/College Park/Winter Park areas**, weekdays for cast members working 8 a.m. to 5 p.m.

For more information on vans #5 through #9, please call **Debbie Yarborough** in Cast Activities at 824-4254.

FOR YOUR BENEFIT

BARGAINS UP TO 80% OFF AT UPCOMING SALE

Friday, January 29, could be your day to save at the Village. An Employee Merchandise Sale with selected items marked down from 20 to 80 percent is scheduled from 8 a.m. until 4 in the afternoon. All markdowns are final, and please bring your WDW ID along. Cash, check, and charge cards are all acceptable forms of payment. The sale will be located behind the Pottery Chalet Receiving area. See you there!

LITTLE LAKE BRYAN

It's open each weekend only, from 10 a.m. until dusk, and though it has been cold ... it's getting warmer. Our watercraft rental rates are the best in town. Plan a picnic now and call us at Cast Activities, The Center, for any information you may need before planning your "day at the Lake."

SPORTS, CLUBS & SPECIAL EVENTS

SWISH ... IT'S ROUND BALL!

And it's played each Monday night at the Pine Hills Boys' Club gym, beginning at 7 p.m. featuring our employees at WDW. At this writing, just two weeks of regular season play remain with all teams vying for a spot in the top four. These "worthies" will qualify for an end-season Championship Tournament and will be chosen by won/lost percentages after the last regular season contests on Monday night, January 25. Results last week had two teams from the Contemporary Resort winning again to strengthen their chances of a tournament berth, as Contemporary I ran to a win over MO-7 by a 71-48 count, and Contemporary II outshot the Duckers by 53-35. The Survivors, last year's champs, stayed tough with a close win over the Fubars by 62-56, and the Polynesian Stars romped to a win over Royal Plaza with a 75-49 win, as Captain Jack's was awarded the "bye" win for the week. Because of commitments of the Boys' Club facility, double-elimination tournament games will be played later in the evening, and are now scheduled for Tuesday, January 26, Thursday, January 28, and Friday, January 29, with all contests beginning at 8:30 p.m. on these nights. If more nights are needed, the schedule will move to the following Monday, February 1. Spectators always welcome and needed, so see you at the gym.

SPORTSMAN'S ASSOCIATION

Carmente's is the setting for the next meeting, when all bass fishermen competing in the club's next tournament will draw starting positions with their partners. Plan to pay your fee at

either Cast Activities or at the meeting on February 6 at 7 p.m. Entry fees must be paid by this date! The tournament is scheduled for February 13 at Little Lake Marion.

Results from the January 9 Tournament:

1st — **Dan McDeed**

2nd — **Ken Plaxico**

3rd — **Scott Welder**

Big Bass — **Don McDeed**

GET SET FOR SPRING VOLLEYBALL

Ready, set, serve! It's almost spring, and that means it's time for volleyball! All cast members and their spouses are invited to join Cast Activities Co-Ed Spring Volleyball League.

It all starts with an organizational meeting on **Tuesday, February 2**, at 6:30 p.m. at the Cast Activities lounge. All team captains are encouraged to attend to sign up their teams. Any individuals without a team should plan on attending, so we can find a team for you. We'll be discussing the rules at this meeting, so don't miss it.

On **Tuesday, February 9**, we'll sponsor a clinic at Little Lake Bryan to work out all the kinks in our joints and practice correct playing techniques with the help of our league referees. Then the season is almost ready to begin. Showup games begin the week of **Tuesday, February 16**, followed by a 12-week season topped off with a double-elimination tournament!

So mark Tuesday, February 2, on your calendar for the organizational meeting, and get set for a spiking good time!

SOFTBALL MEETINGS START NEXT WEEK

Time to wax your old bat and oil up your ol' glove, as the first of two very important softball organizational meetings is scheduled for this coming Wednesday, **January 27**, at 7 p.m. at the Cast Activities lounge, in The

Center. At this first meeting, league rules and some changes will be discussed and voted on, each league will be formed, rosters will be given out, and team fees explained. The following Wednesday, February 3, all rosters and fees will be due, and all teams meeting these requirements, **with no exceptions**, will be assigned an opponent, a time and a day for their first contest. Regular season games for all leagues, both ladies, men and hopefully, co-ed will begin the following week. **February 8**, with Ladies' League playing on Monday evenings, Men's Leagues on Tuesdays, Wednesdays, and Thursdays, and Co-Ed play on Friday evenings (times to be assigned).

All men's teams that competed in the fall season will remain in the same league and their respective days and times and will have their spot reserved for them in their previous league, provided they are in attendance at these meetings. If not in attendance at the first meeting, their league spot will be assigned to any team seeking a spot on a first-come-first-served basis. Team captains should be sure, as to day and times of play, that all of their team members are available to play. See y'all at the meeting.

GOLF ASSOCIATION

The first golf tournament of the 1982 golf season is scheduled for **Sunday, January 31**, at the Lake Buena Vista Club. The format will be individual medal play with prizes being awarded for low gross and the three low nets in each flight as well as closest to the pin and fewest putts for the round. There will be a short club meeting with refreshments after the tournament. The entry fee is \$12.50. Sign up for tee times beginning at 11:04 a.m. at Cast Activities.

DIVE CLUB NEWS

The Dive Club meets the first and third Mondays of each month at the Pinehurst Apartments Clubhouse on the corner of Oak Ridge Road and Texas Avenue. Meeting time is 7:30 p.m. All WDW cast members and spouses who are certified divers are welcome.

• **January 24** — Dive West Palm Beach with Frank's Dive Shop; \$20 covers a two-tank dive, and there's plenty of room for 20 divers. Sign up at Cast Activities, and bring along a \$10 nonrefundable deposit. For more information, call **Lisa Hamblen**,

evenings, at 876-4204.

• **February 1** — Guest Speaker **Bob Gordon** from the Inter-City Recrepression Chamber will answer questions about chamber operation and dive medicine at this regular meeting.

• **February 6 & 7** — Anyone wishing to dive Pennekamp on these dates should contact **Michael Craun**, evenings, at 858-2173.

DIET WORKSHOP SEMINAR SCHEDULED

Many of you expressed interest in the **Diet Workshop**, so here is your opportunity to find out more about it. An open house meeting, scheduled for **Tuesday, February 9**, at 6 p.m., will give you a total look at the workshop, which originated in California 16 years ago.

One of the key components in the Diet Workshop's four point program is **Behavior Modification**. Just as you learned bad habits before, now you can unlearn them and begin your new eating routine. As you practice the new behavior, you'll learn the tools necessary to be thin the rest of your life. The "**Flexi-diet**" allows you to choose your food plan based on caloric intake and therefore set your weight-loss goals. **Nutrition** and **exercise** complete the components, making your lifetime program successful.

PHOTOGRAPHY CLUB REORGANIZING

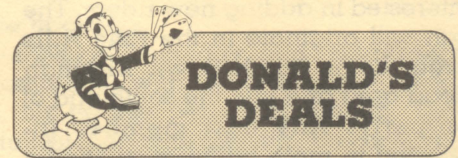

The Photography Club's Organizational Meeting is set for **Monday, January 25**, at Little Lake Bryan, and everyone is invited to attend. For only \$10 per year, club members may use the Club's darkroom equipment any day of the week, and the club will invite guest speakers to meetings to share their expertise in the photography field. Photographers, from the instamatic to the professional, are welcome to share your photographs and improve your skills. Families are welcome, too! For more information, meet at Little Lake Bryan on the 25th at 5:45 p.m. The meeting will last until 6:30 p.m., so even if you can't be there on time, stop by the Lake.

IMPORTANT MESSAGE FOR CAST CHOIR MEMBERS

A few members of the cast choir have not picked up their tickets and certi-

icates yet. Please stop by Cast Activities before **January 25** to receive these. All remaining tickets will be returned to Admissions after this date.

While you're at Cast Activities, come see the choir picture and order your copy for only \$1.60, a great price for a 8" x 10" color picture. If you work in the Walt Disney World Village area, call Jill at 824-4254 for easy ticket pickup or for ordering your photo.

HOLIDAY VILLA DISCOUNT AT WALT DISNEY WORLD VILLAGE

The Walt Disney World Communities offer a special discount on their villas to cast members from now through February 6. This offer is for a **two-night package** at either the **Treehouses, Fairway Villas, or Vacation Villas**, for \$100 (plus tax) total! This is over 50 percent off regular rates for these two-bedroom units.

Don't delay — call C.R.O. today for your Villa vacation.

OOPS!

We incorrectly stated last week that employees would receive a **30%** discount on shoes sold at the Royal Plaza Hotel Ladies Fashion Shop. The correct discount is actually **20%**. We regret this error and apologize for any inconvenience caused by it.

NEW SYSTEM FOR ROSIE O'GRADY PASSES

Church Street Station initiated a new program this year regarding 1982 Rosie O'Grady membership cards. Cast members still receive 50% off the cost of membership cards (regularly \$25 plus tax) for a total cost of only \$12.50 plus tax.

Another new facet of their pass policy is that Cast Activities no longer sells the passes. Instead, all Cast Activities locations have a coupon entitling you to the 50% discount. **YOU MUST TAKE THIS COUPON, YOUR WDW ID, AND YOUR DRIVERS LICENSE TO CHURCH STREET STATION TO PURCHASE YOUR PASS.** This discount is only good for cast members, so there is a limit of one coupon each. If you lose your pass,

you should go to Church Street Station to obtain a replacement.

A whole year of good time entertainment, Church Street style, at half price; stop by Cast Activities today to pick up your coupon!

DONALD'S DEALS

- When dining out, we're sure you look for the best value. Ethnic restaurants are especially fun because there is something different for everyone. **The Sampan Restaurant** answers your "something different" needs. Located at 2425 Edgewater Drive, Orlando, this restaurant offers Chinese and Cantonese styles of cooking. For those who have a difficult time choosing, you will enjoy the Chinese buffet offered for both lunch (\$3.75) and dinner (\$6.75). An established restaurant on the Orlando scene since 1952, The Sampan Restaurant offers quaint atmosphere and delicious menu selections. The Sampan is open 11 a.m.-10 p.m., Monday through Saturday, and Sunday, noon to 10 p.m. Show your WDW ID and you'll receive a 10% discount on both the buffet and the menu. Takeout is available, and call ahead for a reservation for more than five at 422-7968.
- **The Music Shack** offers a 10% dis-

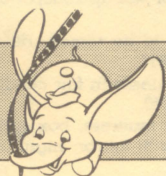

count off any instrument, accessory or repairs (except sale items, music, and books) to all Disney cast members. The personnel are known for their expertise and friendly assistance in all areas of music. Both locations, Orange Blossom Trail (855-0783) and Butler Plaza, 1429 E. Semoran Boulevard (678-1765), specialize in a wide selection of string and band instruments. They also carry the best selection of sheet music and books in the area. The repair department handles all guitars, band, and string instruments and is a warranty center for Gibson and Epiphone. Each location is open 10 a.m.-6 p.m., Monday-Saturday, with extended hours until 9 p.m. at the Butler Plaza store on Monday, Tuesday, Thursdays, and Friday.

- If you're repairing your home this winter, you can depend on **Blalock Discount Aluminum Products** for a quality job. Located in Orlando, they can custom build any aluminum product for your home or mobile home. Blalock offers a 10% discount off their low prices OR they'll give 10% off the lowest price any other company offers you! Whatever your needs are — screened rooms, patio roofs, pool enclosures, mobile home double roofs, carports, or rescreen-

ing — Blalock Products will meet that need. Call 299-0333 for an appointment today.
